PASTORS' CUP OF JOY.

They Hold a Jubilee Meeting Over the Election of Col. Toffey.

DOMINIES FEEL THAT CHURCHES ARE | their AT LEAST A HELP IN POLITICS.

REFORMS THAT ARE LOOKED FOR.

A jubilee mass-meeting to celebrate last Tuesday's victory over the Hudson County ring was held last night in the Tabernacle, Jersey City. It was under the auspices of the Moral Reform League. The Tabernacle was filled. Rev. Dr. Cornelius Brett presided. He

said the meeting was one of congratu-lation. It was not a partisan or a broom brgade metting to make a clean sweep, but one to shake hands as citizens over the triumph of the people and to give thanks that a Sheriff who will give good said he would not claim that the Grand Juries was elected. Dr. Brett churches elected Col. Toffey, but would be only fair to say that the

churches elected Col. Toffey, but it would be only fair to say that they helped.

Rev. John F. Scudder spoke on "The Future of the Reform League. He said the objects of the league were to secure the co-operation of the moral elements of society, without regard to churches, because there are a great many moral men outside of the churches.

"Both parties take off their hats to the iquor dealers," said Pastor Scudder, "Why? Because they are organized. When the Christian element is combined its powers will be felt also. When the christian element is combined its powers will be felt also. When the deent people can say to the polliticians 'we have 19,000 votes' they can do something. I am not opposed to rings, considering them as political machinery. What I am opposed to is the corrupt ring, no matter what is its complexion.

"One other reform needed is to make

orrupt ring, no matter what is its conjexion.

"One other reform needed is to make
it liquor license fee of \$500, and put the
money into the public schools."

Counsellor George F. Record spoke on
"Some Needed Improvements in Our Political System." He said the election
was the most remarkable expression of
public opinion since the days of Tweed.
The lesson was that reform was needed.
"As a Democrat," said Mr. Record, "I
believe that the party needs reform, and
a number of Democrats are considering

pecially valuable.

If you're thinner than you ought to be, whether from wasting diseases, defective nutrition, or whatever cause, the "Discovery" will surely bring you up to the healthy standard. By restoring the normal action of the deranged organs and functions, it arouses every natural source and means of nourishment. As a strength-restorer and flesh-builder, nothing like this medicine is known to medical science. Filthy Cod Liver Oil and all its disguised compounds can't compare with it.

a means of securing it. Legal primaries, modelled on an actual election, the ballots to be received and counted by the registry officers, is greatly needed. Let candidates be nominated by petition to the City Clerk and official ballote prepared. This would do away with the present primaries, the delegates and the conventions."

present primaries, the delegates and the conventions."

The next speaker was Dr. T. W. Hathaway. He spoke on "The Church in Politics" Major Z. K. Pangburn told of "The Independent Voter." and the influence he exerted at the recent election Wallace Bruce read a humorous poem on the election in New York.

The meeting closed with an address by John A. Walker on "How Business Men Can Aid the Reform League."
